Murder and Suicide. San Francisco, Cal., July 27.—Madden by jealousy and the woman's refusal to accede to a proposal he had made to her, Henry George, a waiter, fired four shots at Charlotte Hammett, a young laundry worker and then ended his own life with a bullet in the brain. All four bullets struck the woman and she is not expected to recover.

Trouble at Boarding House. The old home ain't like it used to was. The calm serenity of the cool dining room has been broken by the jarring knocks of the mason's trowels and the spotless floor is covered with trash. Bating has ceased to be a state ceremony and has degenerated into a fight for food. The carpenters have taken command where the waitresses formerly ruled supreme. The boarding house is

a mess. A partition which insisted upon blocking the right-of-way from the kitchen to the star boarders' table is to be removed and in the removal all suffer. Boarders have been shifted ruthlessly without regard to age, rank, or term of servitude. The change is temporary but life at best is but a passing hour. Likewise now is a chaos in the immediate vicinity of the beanery. Woe is me.

Burned to Death in Rescue Work. Chicago, Ill., July 27.—Frank Biegler, Jr., was burned to death in attempting to rescue F. M. Kemp, a laborer, from a fire that destroyed the factory of the Biegler Tar and Roofing company. The dead youth was a son of the president of the roofing company and was working in the office at the plant when the fire occurred. Kemp was probably fatally burned.

Teddy, Jr., Goes to Work. Santa Barbara, Cal., July 27.—With faces, arms and hands brown as berries, and noses peeling from the effects of long hours spent in the sun, Theodore Roosevelt, Jr., and his bride left for San Francisco, where the young husband will enter on his duties as a carpet expert. The Roosevelts have been enjoying a month of honeymooning at Miramar.

New crab apples for preserves, 6 cents a pound. Jackson's Sanitary Grocery, Phone 353.

Mike Filley As An Author. Mike Filley is an author. His book has just come from the press and Mike is distributing complimentary copies among his friends. Author Filley's first literary effort is a compilation of the running time of all the street cars leaving the transfer station. He drew a clock face and on each one of the numerals has indicated the time that the cars leave the transfer station.

Terrible Forest Fire. Missoula, Mont., July 27.—The all night fire against the rushing flames into the timber on Iron Mountain has been unavailing and the fire, entirely beyond control, threatens to become the most destructive of the season in this part of Montana. The situation at Libby is still reported critical and the forestry officials have advised that both life and property there are endangered.

Open the can. Scent the rich aroma. Appetizing, isn't it? Now brew it. Fill your cup with the steaming liquid. Enjoy real coffee, rich, fragrant, savory. Chase & Sanborn's Seal Brand coffee. Jackson's Sanitary Grocery, Phone 353.

Hawaii Goes "Wet." Honolulu, H. I., July 27.—In the special election ordered by congress to decide whether the Hawaiian Islands shall become "dry" and the importation of all liquor prohibited, the "wets" won in Honolulu Tuesday by a vote of 3833 to 915. Returns from other parts of this and other islands have not yet been received but are expected to add the majority for the "wets."

ROOSEVELT INVITED TO ATTEND FAIR

Former President May No. Be Able to Arrange Plans as He Will Be in Indiana.

An invitation signed by the mayor, the president of the chamber of commerce, and the president of the fair association has been forwarded to Theodore Roosevelt at Oyster Bay, N. Y., inviting him to attend the second annual El Paso fair and exposition. But as the ex-president is to be in the midst of the Indiana campaign for senator Beveridge during the latter part of October, there is little, if any, chance of having him come to El Paso. The project was started last month by the fair association, when it was thought that the former president would be in Los Angeles to attend the American Mining congress in October. But the announcement of his itinerary showed that he would be in the west in August and would be in the south the first part of October and in Indiana and the middle west later. It was the original intention to have him come here to deliver the statehood address at the Statehood Day celebration.
